Introduction

1. Nepal Bharat Matri Vidyalaya is an icon of friendship between Nepal and India. The school looks after the educational needs of wards of brave Indian ex-servicemen of Nepalese domicile and serving Gorkha soldiers of the Indian Army.

Background

2. Established on 17 July 2000, the school has over the years, created its own mark in Pokhara Valley. The motto of the school is Strength, Knowledge, Courage and mission is: "TO BRING OUT THE EXCELLENCE IN EACH CHILD TO MEET THE GLOBAL CHALLENGES OF 21st CENTURY".

Aim and Objective

3. The Vidyalaya aims to act as a “citadel of learning” and harbinger of “quality consciousness”. The endeavor of the school is:-(a) To provide quality education through reputed curriculum and experienced academicians with individual guidance and motivating influences. (b) To provide maximum exposure to real life situations and awaken the consciousness of the students. (c) To bring out inherent goodness and intelligence through multifaceted activities.

Admission Criteria

4. The wards of both Indian and Nepalese citizens are eligible for admission. However, wards of Indian ex-servicemen and serving soldiers will be given preference.

Admission Procedure

5. Admission to Nepal Bharat Matri Vidyalaya will be as under:- (a) Admission test in following subjects:- (i) Class-I to V-(Math, Science, English and GK). (ii) Class-VI to IX-(English, Math, Hindi/Nepali, Science and GK). (b) On transfer from Kendriya Vidyalaya, Army schools, Navodaya Vidyalaya and other CBSE recognized schools.

6. Progress Report, Proof of Age, Transfer Certificate from the previous school and Relationship Certificate have to be deposited along with the admission form to avail benefits for wards of Indian ex-servicemen.
Curriculum

7. The academic programme of the school in Primary to Higher Secondary is based on CBSE curriculum. System of Continuous and Comprehensive Evaluation in the form of Formative and Summative Assessments is followed throughout the session. Academic co-ordinators, CCA co-ordinators and teachers help to monitor the academic growth and development of each student.

Facilities

8. Following facilities are afforded to the students:
   (a) Free medical facilities in the MI room inside the PPO through Army doctors.
   (b) Computer education and Library.
   (c) Career counseling.
   (d) Transportation on a nominal fee.
   (e) Periodical educational tours.
   (f) Special discount on tuition fee is given to the wards of ex-servicemen of Indian Army.
   (g) Co-curricular activities for all round development of every child.
